Capitalian Command Performance

THE CAPITALIAN brings to the friends of Capital University glimpses of its action and talent. Consider the campus, if you please, as the studios and grounds of a television station, WCAP. By words and pictures we present the activities of WCAP from the Early Bird to Dream River. From studio to studio we go for views; from time to time our advertisers make their commercials. Thus we preserve a typical day at WCAP of 1943.

THROUGH THIS GATEWAY lie the studio and grounds of our Alma Mater, scene of a never-ending parade of action. We enter this gate for a television performance recorded by photographs, the photographs stimulating memories of our college life.

The Early Bird Program

GOOD MORNING, early risers! For the next hour we bring to you the Early Bird program: the latest hits of the season with your favorite bands. Out hunting for worms this morning, we find our fine-feathered friends, the Senior Class!

THE OFFICERS lead off with the familiar "The Frosh Initiation Ain't What She Used to Be," followed by a chorus of "Do You Remember?" And do you remember back in 1939, when we were green Freshmen and had to wear those ludicrous caps? When we met for cokes at Frecker's after history class? Or when we watched football games from wooden bleachers? Or when we had a "Main to Capital" streetcar? Or do you remember the afternoons under the Big Elm? But now let's listen to a number dedicated to the Seniors. "Just a Picture of You."

KAPPA SIGMA UPSILON

*T*HOUGH RATHER INCONSPICUOUS during the war, Kappa Sigma Upsilon maintains the distinction of being the only social fraternity on the campus. Recently its abandoned clubroom on the fourth floor of Lehmann Hall has been made a reading room for the members of the Air Corps. The piano which formerly provided the notes for harmony sessions, and the ping-pong table, have been placed at the disposal of the cadets for use in their recreation room.

ON THE CAMPUS, in the clubroom, and around the town Kappa Sigma Theta devotes itself to social activities for women, with occasional parties open to all. Late in the summer the new women students are adopted as Cap Sisters, and are made to feel at home upon arrival. In conjunction with KSU, KST starts the social season with a hayride. Then follows the informal initiation, climaxed by the formal rites. The KST Board plans activities for the two hundred members to make the meetings interesting and worth while by means of speakers, discussions, songfests, and parties. The biggest activity of the year is the Sweetheart Formal, this year with Russ Carlyle producing the melodies.

Sunrise Symphony

GOOD MORNING, music lovers! WCAP presents the Sunrise Symphony—a musical offering including band, orchestra, and glee club. First on this telecast program, we offer the music of Wilbur Crist and the concert band. Many of these young musicians first came to prominence tooting their horns at football games to give us that old school spirit.

*M*EN'S VOICES blended together in the strains of a Fred Waring arrangement serenade the girls' dormitory or add to Homecoming festivities. The high point of the year is the tour to neighboring states which is climaxed by a home concert. Following last year's notable achievement in national competition, the Glee Club has gone to war. Here is the last performance for the duration.

WE BRING YOU NOW the Roving Reporter, the CAPITAL CHIMES, with the regular news, views, and reviews. From the library tower Stan Schneider, Don Yaekle, and the staff spot the hubbubs of activity, and then proceed to report to the audience of Capital students and friends. When there is no news, we enjoy the good news of CHIMES' sponsored theater parties or campus capers. It is the CHIMES which is active in bringing campus news to Cap lads in the service with its Send-A-Letter campaign. The Roving Reporter brings you the who's, the two's, the do's day and night.

Feature of the year was the All-Men's Banquet, held in Troutman Hall, where profs and students gathered for an evening of food and fellowship. At the beginning of the year, proctors were elected to represent each floor, and, with representatives of Wannamacher Hall and Bexley roomers, conducted weekly meetings to handle problems of cleaning and lighting the dorms, to maintain provision of proctors' keys, and to supervise open house for Homecoming Day.

Sports Matinee

WOMEN'S ATHLETIC ASSOCIATION

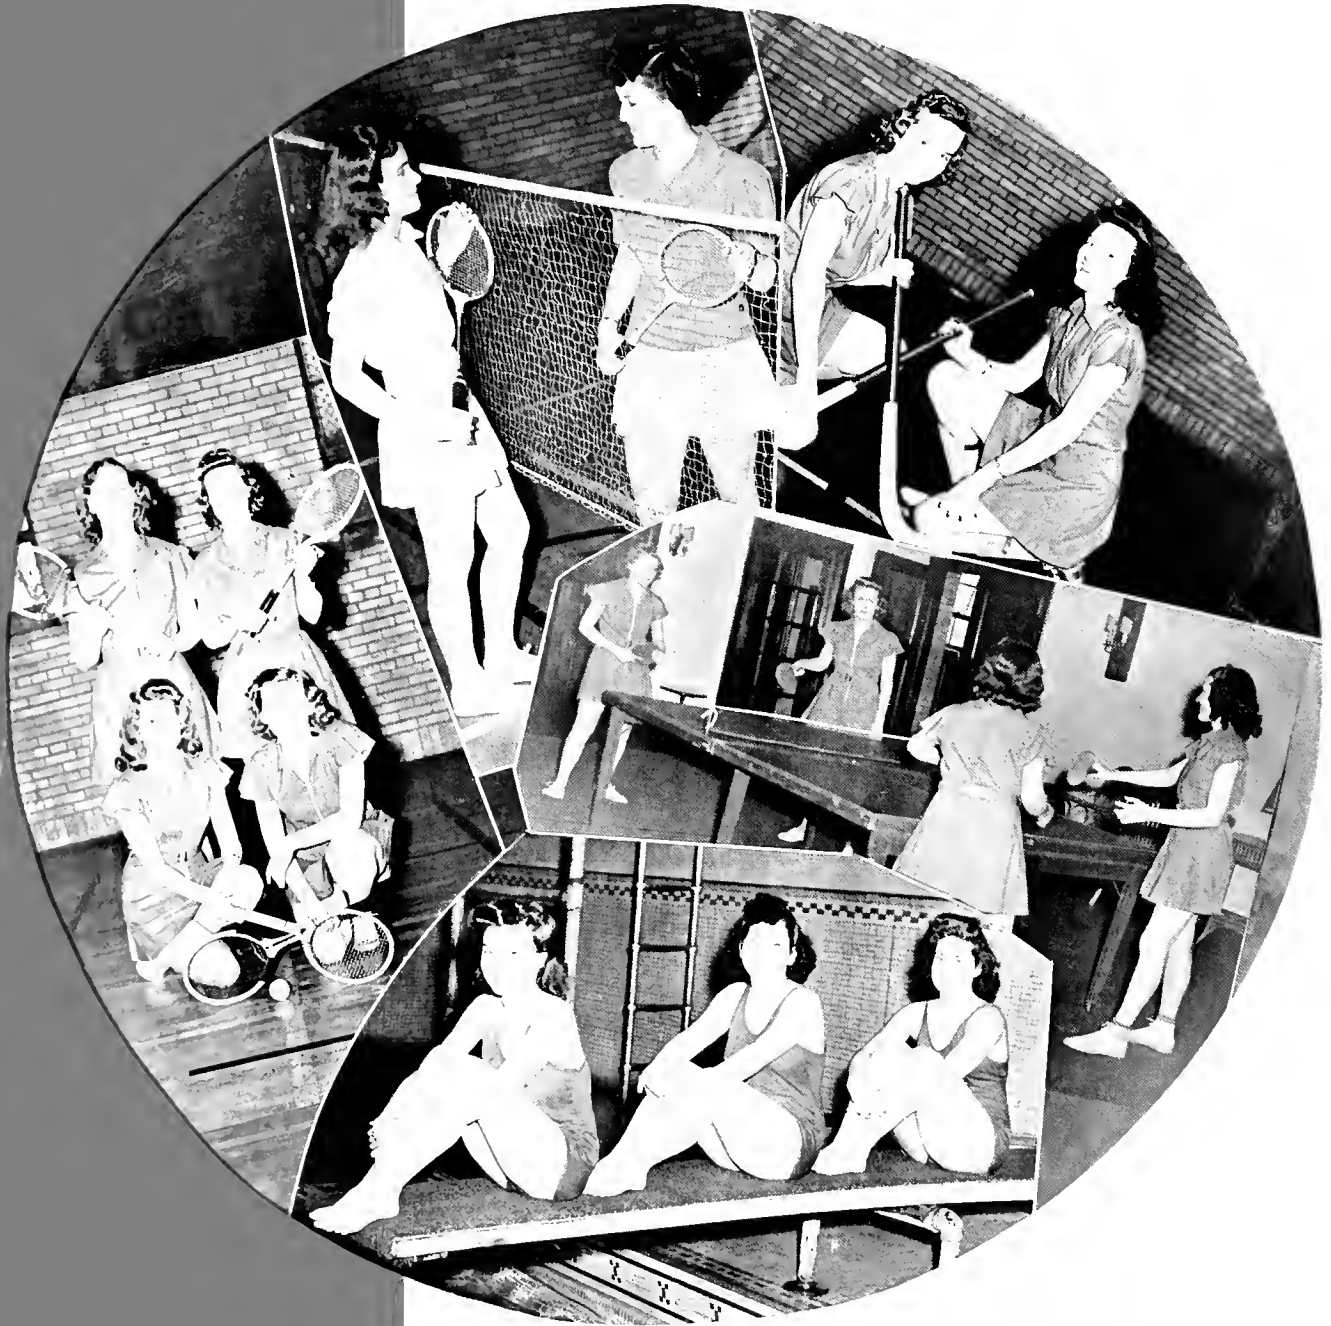

*N*EXT IN THE ORDER of the day is the Sports Matinee. Cap lassies go in for sports in a big way. No matter what the weather is, the girls are to be found participating in many types of recreation. To prove our point, let us move our iconoscope around the campus to view the girls swimming, bowling, or playing volley ball, ping pong, hockey, or what have you. The most active women athletes become members of The Women's Athletic Association. Outstanding contribution of the W. A. A. this year is the Co-Rec nights which they sponsor and at which the student body makes merry in sports for all.

At top, Carlisle and Finebrock tote the heavy load while Renick brings the all-important radio and Appel contemplates taking a breathing spell.

Bob Gast, top center, asks, "Why can't I take everything in two trips?"

Bottom center, Hesterman and Wise take it easy while Spindler, Hacker, and Saveson shoulder the work.

Bottom, so proud of their new double-decker are Yarian and Williams that they can't be urged to roll out.

*A*RE YOU TROUBLED with Spring Fever? Do the warm, sunny afternoons after class seem to be the perfect days to toss the books aside for a few hours? We suggest you try spring sports for vitamins A, B, C, and Y. Spring sports also contain body-building baseball games, tense tennis matches, and thrilling track meets.

RACKET-WIELDERS serve an ace or put away a lob to win four and lose five matches. Strenuous exercise, these springtime sports, but fun!

THE TOP OF THE ORDER is up, and we're looking for a rally. Pitcher beware, or you'll have to get your fielders bicycles. These regulars on the 1942 team have all won letters in football or basketball. Add Ott, Underman, Meuser, Wietzke, and Meals to get this year's team.

THIN CLADS TOE THE MARK and break the tape for Capital. Below us we see some pole vaulting. To our right the fellows are getting warmed up for the dashes. The discus hurlers are waiting to have their throws measured. Not until the last of the field events and the relays are the matches decided—close decisions all the way.

THE FRESHMEN

*L*ITTLE BOY BLUE, come blow your horn—" Good afternoon, boys and girls. We have today a program for children, put on by the kiddies themselves. Before we sing "We're Green Freshmen," let us introduce the class. The casualty rate of class prexies has been high; Johnny Young is the third, succeeding Arvin Hildebrand and Robert Busche. Many of the fellows played in intercollegiate athletics this year—possible for the first time under a new Ohio Athletic Conference ruling—and we are proud of them. Both boys and girls sported caps in the fall, but we put them away when the Sophomores failed to locate a rope for the tug of war. Yes, now we are no longer toys for the Sophomores.

Dinner Musicale

FROM STUDIOS in Mees Hall we bring you your Dinner Musical, with one of the finest organizations in the country, the Chapel Choir. We now hear the Chapel Choir of Capital University, directed by Professor Ellis E. Snyder.

Sports Resume'

GOOD EVENING, sports fans. It's time to present Varsity C with its regular sports resume. Tonight's resume features basketball and intramural sports. But first, here is the parade of athletic heroes of Capital University, the men on the inside of sports, those who have earned their Varsity C's. At monthly meetings these men encourage fellowship and sportsmanship, showing athletic movies and hearing Columbus sports notables.

They sponsored several fine campus parties.

CAPITAL UNIVERSITY saw its basketball team through another excellent season. Composed of almost the same material as the 1941-1942 team which won all but one game, the Lutherans picked up where they left off, climbed into the conference lead at the outset, relinquished it at mid-season to Wooster, only to get back into first place when the Scots suffered a setback after Capital's season had closed. The season's record: 14 wins, 2 losses. Over a two-year period the Bernlohr-coached cagers have won 28 contests in 31 encounters. Our boys will remain the tops for a long time.

KALISH SCORES on a rebound in the Heidelberg game.

SHRIDER ADDS to the cause in the Denison game.

KALISH, CARLISLE, and SHRIDER await rebound as Ott scores to help Capital defeat Otterbein at the Bexley Gymnasium.

EVERY ONE of the first five players was high point man at least once during the year. A new scoring record was set as Wilmington went down to defeat, 92 to 38. Shrider and Ott were chosen for the All-Conference second team. Bernlohr stole the Muskingum show with his nine long shots. Kalish was a fighting man from start to finish. Carlisle's aggressive floor play was unparalleled. Regan stepped into the injured Bernlohr's place in the final two games and filled the huge gap sensationally. Opponents were consistently bewildered and fans were amazed when the cagers decided to put on a display of lightning quick passes which made even Coach Bernlohr wonder who would "condescend" to shoot and when.

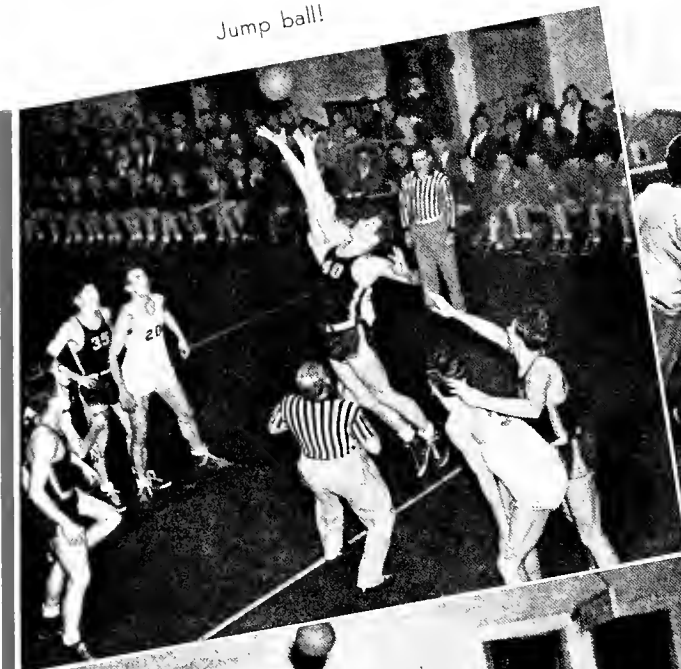

CARLISLE LEAVES his man behind and goes in to score.

IT'S OTT AGAIN in the thick of the battle with Heidelberg.

FROM THE TIME our talent was uncovered at the Freshmen Reception, the Junior Class has staged a Variety Show. The emcees have been Hamilton, Wagner, and now Jerry Lane. This has been a class of outstanding athletes, and brilliant students. Many a quartet or jam session makes impromptu appearances—fine public speakers and debaters are common, everybody comes out for parties. From these Juniors comes this year's May Queen, with plenty of competition. Important function of the calendar is the Junior-Senior, traditionally the smoothest party of all.

Quiz the Experts

GOOD EVENING, ladies and gentlemen. You have seen and heard many quiz programs recently, but WCAP would like to present something different. Capital University has four honorary fraternities whose members have agreed to act as experts for this evening's telecast.

TAU KAPPA ALPHA

TAU KAPPA ALPHA is the national forensic fraternity of which there is a chapter represented here tonight. The members are chosen from veteran debaters or persons who have been outstanding in activities of an Aristotelian nature. Any questions concerning parliamentary procedure, round table discussions, forums, or after-dinner dissertations will be capably answered by one of these experts.

KAPPA ALPHA PI

QUERIES WHICH WOULD ORDINARILY be answered by the Encyclopedia Britannica will be tossed at the members of Kappa Alpha Pi, a local scholastic honorary society. Membership is automatic for those master minds who have found in their mail boxes a little piece of paper which informed them that a sufficient number of professors had deigned to grant them A's or B's in readin', ritin', or recitin'.

Dr. Otto Maes, Prof. J. G. Drushal, Ralph Piper, Vernon Linhart, Don Bachman, Prof. W. C. Craig.

*W*HICH WOULD YOU rather do or appear with Phil Spitalny?" We have asked the local chapter of Phi Beta for answers to questions of this nature, or those more or less involved. Membership in this sorority is limited to women outstanding in music or dramatics. Phi Beta, besides appearing on WCAP, presents a monthly program on a local radio station. If you don't know what program music is, Quiz the Experts.

DELTA PHI ALPHA

*N*OT ONE DUTCH HAIRCUT is found in the local chapter of Delta Phi Alpha, the national German fraternity. Any topics arising during the evening which require the use of a little gutteral will be handled skillfully by the top German students who comprise this group. Conspicuous on their social calendar is the pledging in the spring, followed by an initiation banquet which is reported to be quite the jolly affair.

We the Sophomores

WE ARE THE CLASS who won the first tug of war, the ones who have been in college long enough to educate Green Freshmen in the Capital life and spirit. We claim to have character; our pictures will testify to this. We believe in enjoying Capital; we have entertained at many successful parties. Out of this Class have gone many of our best friends; we are the Class who began college education just as America started to fight. WE THE SOPHOMORES speak.

GEORGE SCHULTZ, ADVISER

IT'S MIDNIGHT, and the Capitalian goes to press. Our staff has enjoyed bringing this television broadcast to you. We hope you find pleasure in your Capitalian, now and through the years to come. To put out a yearbook during war is to work under handicaps. Deadlines came quickly this year. A manpower shortage hit every phase from photography, engraving, printing, and binding, to final distribution.

Bill and Chuck take the responsibility for getting out the best Capitalian possible . . .

Mary Louise Dell, Assistant Editor and Art Editor, skillfully adds creative work to the book . . .

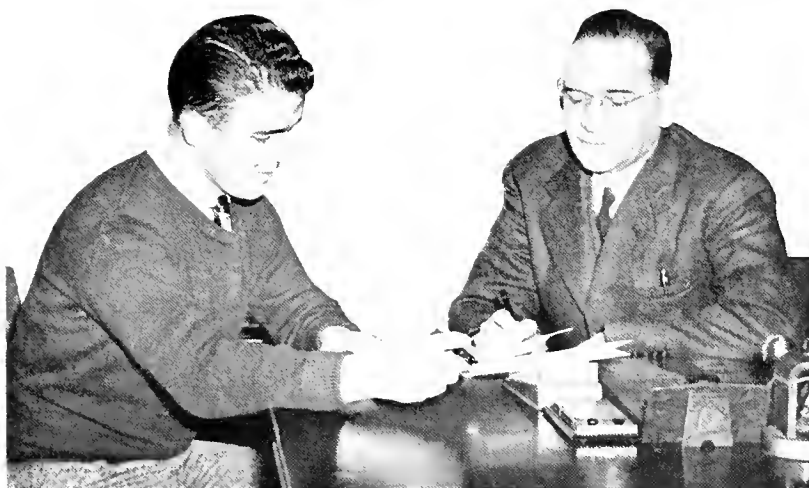

Class Editor Gene Wise and Mr. Miller of Indianapolis Engraving mount pictures.

NO YEARBOOK could be produced without the generous assistance of the students and faculty. We wish to thank particularly J. Garber Drushal who was our adviser before being called into the Navy. Bouquets to those who helped with identifications: Jerry Groscost, Bettijane Jenks, Jackie Maag, and others. Thanks to Ann Kagey and Zanna Perkins who spent an evening typing when the deadline pressed us.
